Apologies:	*

Information / Decisions

No.	Item
1	trying all things looking up repos and trying out implementing booking
2	Created appointment endpoint to add appointment
3	Next Backend Meeting- 14/09/2022

Action Items

No.	Item	Who	By
1	• Adding availability for doctor • Fixing entities for appointment	Janhvi	14/09/2022

*After repetitive messaging on discord the team was unable to decide a particular meeting time
Darian was giving his availability and Sai was responding at end of the day (Here is where the communication started to go bad) Janhvi conducted a meeting of her own and informed Liza about the situation.
